

MONARCH BEACH  
RESORT

**NOTIFICATION OF INCREASED NOISE & ACTIVITY**

Wednesday, February 28, 2018

Good Day,

I hope this letter finds you well. The reason for my letter today is to communicate a private event taking place at Club 19 whose celebrations include a very brief display of fireworks, which may result in an increased level of sound immediately surrounding the Monarch Beach Resort.

We respect and appreciate our community and neighbors, and in an effort to allow you, and your community residents, time to make any arrangements that may bring comfort to those in care, children, and/or pets, we hope that this foresight will be useful.

Please note the details of the event below:

**Saturday, March 10<sup>th</sup>, 2018: There will be a short firework display starting sometime between 8:45pm and 8:50pm. The fireworks are going to be set from our Monarch Beach Golf Links Course overlooking Club 19 area, and anticipated to last about 7 minutes.**

In addition, we would like to assure you that The City of Dana Point has permitted the hotel to hold this event, and that we have taken ample measures to ensure the safety and security of our community.

We thank you in advance for your support and understanding. If you have any questions regarding this event, please contact my office at (949) 234-3301.

Sincerely,
