Greetings HOA Team,

The Club at Monarch Beach is proud to announce the multi-million dollar renovation of our Monarch Bay Beach Club! With our Spring completion date nearing, we would love to host a “Private Preview + Hard Hat Tour” for your community members! Like everything Monarch Beach, there will be beach concoctions, Chef’s delights, special giveaways and renderings to share. The Previews will take place on four consecutive Thursday’s (beginning April 25.) If you think your community residents would enjoy attending one of our exclusive tours, please let me know so that we can create a personalized invite for you to share electronically.

Hope to see you there!

Warmest regards,

**Nicole Hensley**
