**By signing this document, both parties (resident and guest) agree to the following:**

- A current registration including the license plate number for the vehicle is required for barcode issuance and renewal.
- This barcode is non-transferable and is void once removed from the vehicle.
- The barcode will deactivate 12 months after issuance. Renewal of the barcode will require a copy of the current registration and a fee. The Association may not send reminder notices regarding pending expirations.
- The Association’s vehicle and parking rules must be followed at all times. It is the responsibility of the resident to provide these rules to their guest. Failure to comply with the rules may result in revocation of the barcode and additional enforcement against the property owner.
- This barcode is not valid for parking in the two (2) lower beach lot tiers. Vehicles found parked beyond the designated guest parking area (top parking tier) are subject to fines and enforcement.
