**By signing this document, the owner or household member agrees to the following:**

- A current registration including the license plate number for the vehicle is required for barcode issuance.
- A household member is required to have the registration address match the NSCA address. A household member is defined as a full-time resident that is not a tenant and not listed on the property deed.
- This barcode is non-transferable and is void once removed from the vehicle.
- The Association's vehicle and parking rules must be followed at all times. It is the responsibility of the resident to know the rules. Failure to comply with the rules will result in enforcement against the property owner.
