**Town Hall Meeting: GoAccess Presentation & Q&A**

We've obviously seen a lot of discussion about the new gate access system, and we understand that change comes with questions. To provide clarity and ensure everyone has a full understanding of how the new system works, we are hosting a **Town Hall Meeting on Friday, March 14th, at 6:00 PM** in the **Community Center**.

Alex Harding, **CEO and Founder of GoAccess**, will be presenting the system in detail and will be available to answer any questions you may have. This is a great opportunity to hear directly from the source, see how the system will enhance security and convenience, and get all of your concerns addressed.

We encourage all residents to attend and be part of the conversation. Looking forward to seeing you there!
